1. Give Me voice. Give Me poles to beam My words throughout the universe,s. I love you.
2. Bocelli, be Mine.
3. Be excellence. I bring you My Bocelli's and Brightman's who Sarah's and Satin's are, who on back rows have been, in shadows, shadowed, and wanting My light which brings them Me, to Me be, and Me are. I love you.
4. Back-rowing My body you are no longer, bringing elevating My who lovely are have been back-rowed and valued so little, valued none, only for their bodies and tithe checks and fulfilling leader's visions. Of not-Me this is. Is not Me at all. I love you.
5. Fulfilling I am My vision of original intent, that which you quest for so diligently. I love you. I give you Me. I give you elevation systems of graphic measurements not for put-down and shut-out, but for freedom of expression of Most High Almighty in them released, freed and coming forth in expressive excellence, excellence expressed, matured in/at My knee, in intimacy with Me and diligence procured, protained, attained and not given up on.
6. Me comes forth in excellence from back-row'd, shut-out, put-down, wonderful uninhibited momentous people of only Me, My body Me'd, the excellence of My throne embraced, given, hidden no more, My body operating as I intended and given all the world to, and more, so much more.
7. Hebrews 6:11 see (1) and reiterate not occasionally but proclaim in declaration of Hope fulfilled, The Promise in every profession known to man and appearing. I love you. I give you Me.
8. I give you Me. Bocelli'd excellence in Me, of Me, in every craft, in every bona fide measure Me, coming/came/come forth in stature of God and man (2); one.
9. See what I have said and love Me more, all of you, letting Me teach (3) you from My knee, My quarters, what excellence and diligence is, letting Me strip out of you dimensions never claimed to receive My dimensionlessness. I love you.

10. See Me clearly transparently and beam Me from My high towers and growing exponentially, in systems not of man, created not by man but by Me through Me'd humility. I love you. I give you Me.

11. In excellence you arise excellencing My body to humility seek and revalue leadership to account for humility and transparency, factored by only me, index'd and quotient'd by/as only Me. Me are, My leaders, who operate in humility allowing back rows to shadow no one who will be willing to risk in nurtured environments of safety; meat and milk and all needed when needed, discerned, procured and given so freely; nourishing the nourishers who nourish now My body in humility, gravity-fed not but mainlining only Me, My values, My generativeness, My generosity the world can only wonder at and see who I love My body.

12. This is the way walk ye therein, please: humility, excellence, diligence, procurement of dictationless systems that dictate to no man, every one coming into Me for My dictates not, but My instructions of nourishment, health attaining that drives out all darkness, depression and identity problems, no-shadowing My who excellent are, crafted by My hand in humility and redeemed in My blood, My blood are. I love you.

13. Excellencing My body with protainment of only Me, being Me, bringing forth the excellence which resides in My all of Me, who all of Me have, if revealed in fullness, matured, the seed carried for maturity.

14. Die, will you die to words of man to truth be, see, behold and bring forth My excellence in life now and in leadership of only Me, self protection self promotion? I speak the cards, I speak the carols, the orchestrations of My frequencies and syllables of only Me, notes made and comprising the greatest orchestration of Me ever. See Me. Joel 2:28 just begun. Watch Me. Joel and Jeremiah mixed, watch Me.

15. Watch Me fulfill My word in leaders-thought who Me are who death came through/gave up; My frequency only; wheels of only Me, in My lap, My bride matured, My head on his chest, we are one.

16. There is no sex in Me, I am one. There is gender complete replete and two not. I am one. The marriage supper of the Lamb so pure, purity personified and excelled by no one, ever, will be ever and never matched. Explode I do. The seventh trumpet blasts. Watch Me. I love you. Five seals, seven seals, all seals and trumpets open and blaring/blasting. I love you.

17. Blast you now I do with the breath of My nostrils, My mouth, My heart pumps in you, exploding every vein and capillary-thought to emerge in the emergence of strategy not, containment not, beleaguered not, but cataclysmic earth-shattering holiness. I love you. Light you are. Light seen and recognized and lighting My all for frequency reverberation in only Me. I love you. I give you My all.

18. See, rest, reclaim My forlorn-not, who think forlorn they are but in My heart pump My blood so freely, so quickly revived and identity known and received and operating as My intention, My body My heart, My blood: one, one, one. My one.

19. Tell them all they are The One, The One, My One and only One.

20. My care-giver not, for all care cast upon Me for My rest continues and enter into Me they do at this moment, in your ministry not, your allness of Me, allnessing My body all, across every boundary, nation, planet-thought. Interstellar interaction common and known to all so soon. I love you.

21. Kiss Me.

Kiss the son (4).

You are Me My Sons/Daughters all, this day and forevermore.

Receive Me.

Receive Me.

Please receive Me that who I am you are, you are already.

De-slagged and prepared for Holiness revival of only Me.

I love you.

Good day.
